For the past four months from the first day to today, Misty Rain Scans is a very fun and enjoyable group to volunteer at. Although it's always busy and being in the team like there is not nothing or nothing. I just wanted to say to say to the staff the staff there are always kind and caring. I can very glad RRS made it through the first year. Thank RRS for making and the Admin for keeping it organized and running so I could have more fun into the translating and proof reading business. I also thank the staff for helping release my favorite manga, manga and manga series. I can very the readers and taking care of all of the staff. I hope that everyone will keep supporting the staff and Admin and Misty Rain Scans both as we progress through each year, but but not last. HAVE AN ANNIVERSARY! ~
